ADVANCE GUARDS

Autumn

Dress

Goods

An early

choice

advisable

Many of our foreign dress weaves are at hand, and though the assortment is not yet as complete as it will be, it includes novelties that when once gone, are not duplicable. Among these patterns may be the very one that appeals to you. If so the advantage of early buying is clearly apparent. By so doing you have not only a greater choice of modistes than when the rush is on, but having more time they can take more pains, consequently turn out better work. With that in view come at once and look over our advance showing. Here are a few of the varieties and the prices.
